

## **CALLING ALL MASSACHUSETTS BUSINESSES!**

**Join the Massachusetts WasteWise Program Today!**

The Massachusetts Department of Environmental Protection (MassDEP) is extending an invitation to all businesses and organizations in the Commonwealth to join the *WasteWise Program*. WasteWise is a free and voluntary program, developed by the U.S. Environmental Protection Agency (EPA), to assist businesses, communities, organizations and institutions with creating, implementing, and measuring waste reduction efforts.

Massachusetts was the first state to partner with EPA to promote the program, which has over 2000 members nationwide. The *Massachusetts WasteWise program* currently has 75 members and is growing.

Consider the benefits of joining *WasteWise*:

- ❖ Toll-free recycling technical assistance hotline;
- ❖ Free local waste reduction & recycling workshops;
- ❖ Technical assistance in setting up or expanding a recycling program;
- ❖ Free web link to your business;
- ❖ Federal/State award & recognition opportunities;
- ❖ Climate change reporting tools;
- ❖ Technical Assistance Grants!
- ❖ Access to a vast network of EPA publications

We encourage your business to take advantage of this incredible, resource-filled program by joining today! Your registration through EPA automatically makes you a member of the *Massachusetts WasteWise* program.
