7. Electronics Recycling (computers and televisions) - Under this program operated by the HRMC we are trying to keep lead and mercury out of our waste stream by recycling televisions, computer monitors, all computer parts, VCR's, DVD players, and stereos.

The prices are;

- Computer Screens and TV's - \$5.00
- Other computer and electronic items - \$5.00
- Large screen TV's and Consoles - \$20.00

8. Household Hazardous Waste (HHW) - To help keep toxics out of the waste stream the HRMC runs a regional Household Hazardous Waste collection on or about November 1st every year. Residents are allowed to drop off one box of HHW products (oven cleaners, drain cleaners, pesticides, herbicides, photo chemicals, automotive products, etc.) at a central site on the advertised collection day. For further information please contact the HRMC at ((413) 268-3845)) or at hrmc@crocker.com.

9. Paint Recycling (No charge) - The Town of Williamsburg through the HRMC has paint recycling available to residents between May 1st and October 1st. Please bring (1/2 full or better) cans of latex paint, stain, and oil based paint only!

10. Compost Bins (\$25.00) - The Town of Williamsburg has backyard compost bins for sale through the HRMC at the transfer station. The bins are made from 50% recycled plastic and cost \$25.00 (checks are made payable to the HRMC).

11. Miscellaneous

Salvation Army (Free) - Available at site for old clothes, etc

Compost Area - Available to residents who need it for grass clippings, yard waste and small amounts of brush.

Other Disposal Needs - Please heck with Corky Baldwin at (413) 268 - 7794 or please contact the HRMC at (413) 268 - 3845, with your questions.

Questions about trash or recycling ???

Please contact the Williamsburg Board of Health at (413) 268 -8404

Or the HRMC at (413) 268 -3845 or email us hrmc@crocker.com

12. **Household Recycling (No charge)** - There is no charge for the recycling of common household/kitchen items such as bottles, cans, plastic containers, milk cartons, paper and cardboard (See list on back of handout). You must have a valid Town permit to use the recycling services)

RECYCLING IS MANDATORY!

*** YOU MUST FLATTEN YOUR PLASTIC BOTTLES
AND CARDBORD BOXES - IT SAVES MONEY FOR
THE TOWN**

PLEASE RECYCLE ALL THAT YOU CAN

To lower the cost of disposal, protect the environment
and help the Town of Williamsburg
save money during these difficult fiscal times
we all must recycle as much as we can.

Last year we sent over 634 tons to the landfill costing over \$47,550.00

Last year we recycled over 461 tons saving the Town over \$31,709.00!

Last year each person in Williamsburg recycled over 379 lbs of materials
and helped the town earn over \$7802.00 in recycling revenue!

Did You Know?

- * Williamsburg trash currently gets hauled and disposed of at the Northampton Landfill.
- * The City of Northampton can inspect and reject loads of trash for too many recyclables.
- * For the next six months we will spot-check plastic bags at the compactor. If they contain too many recyclables we may have to reject them.
- * We are considering going to a pay per bag program (like most Towns) to encourage more recycling and so residents pay for the amount of trash they throw out. If we do we expect to lower the charge for car stickers.
